

Assignment 10 (A010.html)

If username is john@gmail.com and password is 1234 then display Hello John on top of the login form else display Access Denied

A mockup of the Facebook login interface. On the left, the Facebook logo is displayed in blue, followed by the tagline "Facebook helps you connect and share with the people in your life." On the right, a white login card is centered. It contains two input fields: "Email address or phone number" and "Password". Below these is a blue "Submit" button. Under the button is a link for "Forgotten password?". At the bottom of the card is a green "Create new account" button. Below the card, a link says "Create a Page for a celebrity, band or business."

facebook

Facebook helps you connect and share with the people in your life.
